

## **PRESS RELEASE**

### **Amendment to the amount allocated to the liquidity contract**

Today Advini SA increased by €75,000 the amount allocated to the liquidity contract concluded with Invest Securities. After this increase, the amount allocated to the liquidity contract remains within the limit set for illiquid shares under AMF Decision No. 2018-01 of July 2, 2018 which established the implementation of liquidity contracts for shares as an accepted market practice, and was renewed by AMF Decision No. 2021-01 of June 22, 2021.

As of December 30, 2024, the effective date of the amendment, the position of the liquidity account was as follows: 38,831 shares and €79,849.97, including today's increase.
